David Brusby (Incumbent) – Fort Mojave, AZ

I wish to thank the owners of Lindo Mar for their continued support of your Board of Directors. We have accomplished much, including a full renovation of three floors of guest rooms as well as a complete remodel of the La Playita kitchen with no increase in maintenance fees. There is still much to do; this year we will renovate 3 more floors which will begin this summer.

I believe my experience as a general contractor and facilities director at a 4 Campus College gives me the background to make valuable contributions to these projects. I ask for your vote to return me to the board.

Lisa DeJong – St. Joseph, MI

My professional background is in the area of business management. During my 35-year career I have worked in the areas of Finance, Human Resources and Marketing. Currently as the Vice President of Sales for a promotional company in Michigan. I have served as a leader in my community and church on committees and boards.

As a second-generation owner of floating time I have a unique perspective over two generations or members. I have the ability to respect the generation that built and sustains Lindo Mar as well as an understanding of the needs and desires of the younger generation.

The club will benefit from my communication and leadership skills. I enjoy engaging with the membership and I believe that to be a good leader one must first be a good listener.

I'm married to Scott and have two adult children that are already inquiring about becoming third generation owners.

Roger Denton (Incumbent) – Alta Loma, CA

Lindo Mar is a special place, we have enjoyed our time there for 17 years! Since becoming a Board Member, I have jumped right in, getting involved with all matters on our agenda. My lifetime of Construction Experience has proven to be a valuable asset working with the BOD in preparation for Phase 2 of our Refurbishment Project. On my recent trip to Lindo Mar, I spent a great deal of time with our Contractors planning adjustments to the Phase 1 units that will be carried over to Phase 2; building relationships with our Construction Team is a positive step moving forward. One of our next projects in the coming years will be the Remodeling of our Restaurant and Bar area. My concept would include open space, level floors, removing the steps and ramps on the upper-level, retaining the lower terrace.

I need your votes to continue this work!

Kelli Gilbert – Cincinnati, OH

My husband, Martin, and I were first introduced to Lindo Mar by my in-laws, John and Sara Gilbert, in 2000. To say the least we immediately fell in love with the resort and the staff, and were excited to become owners in 2004. Over the last 19 years, we've seen many wonderful changes in Lindo Mar, and I want to be part of continuing the positive growth for many years to come so our children and grandchildren can experience the beauty and charm of Lindo Mar.

I have a diverse and eclectic work background, including community relations, human resources, business consulting and small business ownership. I have served on numerous community, business and philanthropic Boards. I've had the opportunity to create mentoring programs for young professionals, and have served as a business coach and mentor for 20 years.

I would love the opportunity to represent you on the Board, and to use all of my experience and skills to promote and to protect your interests and those of the resort.

Dennis Lockwood (Incumbent) – Fairmont, MN

I have been on the board since 2012 currently serving as vice president. Being thrilled to serve on your Board of Directors, I am on the remodel committee and started the restaurant committee. I will continue to work diligently to improve and maintain the wonderful place we call home.

Before retirement, I worked 38 years with Sears Roebuck. I have managed stores, been a regional merchant, and had several human resource positions including Labor relations. I also had construction background overseeing the retrofit of large stores and additionally had hands on profit and loss statement accountability.

My wife and I love Lindomar and spend many winter weeks there. When at Lindomar I participate in weekly member meetings and look forward to your input to help make Lindomar a better place for all of us!

Please vote for me, I love being your representative!

Will Stewart – Suquamish, WA

I have the ability to be open minded, a good listener, able to evaluate challenges and seek quality collaboration for solutions that provide long term benefits for the entire club membership.

During a lifetime of customer service-related careers, I have accumulated more than 30 years of experience as an elected fire commissioner serving on the local board. More recently I have become a Trustee and member of the Executive Board serving on the County Board of Fire Commissioners.

My board memberships have given me valuable experience in evaluating and providing guidance in all levels of organizational financial, operational and budgetary management.
