

## **Lindo Mar Auction Results**

On behalf of the Association, I would like to thank you all for your participation during the fixed inventory auction. We are pleased to announce that the following 11 intervals have been sold and the winners have been notified, while the remaining inventory will be turned over to Javier Quezada. Should you have an interest in any of the unsold intervals, feel free to contact Javier who will be happy to work with you on purchasing a unit.

Congratulations to all the winners and everyone for being a part of the auction.
