

La Playita Palapa Rental Program

In response to feedback regarding the Palapa Rental Program, the management team has revised the plan to include five newly installed palapas north of the stairway leading from the restaurant to the beach. These palapas are for the exclusive use of La Playita customers. The palapas to the south of the restaurant stairs will continue to be reserved for Lindo Mar guests staying at the resort.

The trial program will resume effective immediately and will be reviewed again in October by the Board for future implementation. Areas of review and discussion by the board may include but are not limited to:

- Financial contribution
- Impact to the culture of Lindo Mar and La Playita Restaurant
- Impact to staff
- Environmental impact
- Facilities impact

Your input is appreciated and the Board welcomes your comments and feedback through the Owners Corner on the Lindo Mar website.

The Board would like to recognize our General Manager Ulises Alfaro for his dedication and commitment to the financial wellbeing of Lindo Mar and his ability to make adjustments in response to Lindo Mar membership concerns.

Respectfully,

The Lindo Mar Board of Directors

Lisa DeJong- President

Chuck Meacham- Vice President

Sandra Erickson - Secretary/Treasurer

Dennis Lockwood-Director

Giancarlo Accettullo - Director
