(2 Open Positions)

Lisa DeJong – St. Joseph, MI

My education is in Business Management and Communications. During my 35+ year career I have worked in Finance, Human Resources, Sales and Marketing. Currently as Vice President of Sales for a promotional company. I have served as a leader in my community on committees and boards.

As a second-generation owner I have a unique perspective over two generations of members. I have appreciation for the generation that built and sustains Lindo Mar while also understanding the needs of my own generation. As my children inquire about ownership, I realize that my experience and leadership skills give me the opportunity to educate and grow the membership for future generations.

The club will benefit from marketing, communication and leadership skills. I enjoy engaging with members and believe that to be a good leader you must first be a good listener.

I'm married to Scott and we reside in Michigan.

Charles “Chuck” P. Meacham (Incumbent) – Gig Harbor, WA

My wife, Charli, and I have been proud owners for over 29 years, with 9 weeks fixed and floating time including 1-Bedroom, 2-Bedroom, and 2-Bedroom Deluxe units. We love LindoMar for its always helpful staff and Mexican charm.

I joined the Board in 2015 and serve as Treasurer. The Board and I are proud to have nearly completed remodeling all units and common areas without a maintenance fee increase for the last 5 years. As Treasurer, I intend continued financial vigilance while maintaining LindoMar’s quality and Mexican ambiance. We are facing new challenges with the coronavirus including how best to handle usage by members and support all our wonderful staff during periods and reduced occupancy. We’ll do our best for you!

I am Chief Financial Officer for the 501(c)3 Meacham Foundation and serve on 5 local, state, and national Boards.

Your vote gets honesty, experience, diligent work, and open communications.

Wilson R. “Will” Stewart – Suquamish, WA

I have accumulated more than 30 years of experience serving on the board as an elected fire commissioner. Recently, I have been elected as a member and Trustee of the Board and Executive Board of the County Fire Commissioners. I also serve as a member and Secretary for the non-profit Port Gamble Theater board since 2012.

My board memberships give me valuable experience and insight into all levels of organization, financial, operational, and budgetary management. I am a good listener, open minded, able to evaluate difficult challenges and seek collaboration for quality solutions that provide long term benefits for every member of the club.

We have accumulated 5 weeks since our first purchase in 1999. I will also be a positive addition to the current board bringing a fresh, upbeat, selfless and knowledgeable perspective to the group by seeking conventional and non-conventional solutions to current and future challenges.
